Please have this new add printed in the same papers in this new form as per instructions in STATE 123304. We have provided a copy of this telegram for your use and a translation which you may wish to use. The cable did not instruct us as to whether they wish the photo with the word URGENTE run but we assume that the same format will be followed. Please have this published as soon as possible.

We will require two copies of the final add for use by the Department.
